ORDER NO. 7082

IN THE MATTER OF:

Served March 10, 2003

Application of NMS TRANSIT SERVICES )  
INC. to Acquire Certificate )  
No. 724 from NADIR SALIH, Trading )  
as NMS SYSTEMS TECHNOLOGIES )

Case No. AP-2003-03

By application accepted for filing December 20, 2002, applicant, NMS Transit Services Inc., a Virginia corporation, seeks Commission approval to acquire Certificate No. 724 from Nadir Salih, trading as NMS Systems Technologies. Salih has agreed to transfer Certificate No. 724 and other assets in exchange for a controlling interest in NMS Transit Services Inc., a new carrier. The application is unopposed.

Article XI, Section 11(a), of the Compact governs the transfer of a certificate of authority in exchange for a controlling interest in a new carrier.<sup>1</sup> A transfer of this nature raises fitness issues only.<sup>2</sup>

Applicant proposes commencing operations with one van to be acquired from Salih. Applicant's proposed tariff contains rates for transportation under the DC Medicaid program.

Applicant verifies that: (1) applicant owns or leases, or has the means to acquire through ownership or lease, one or more motor vehicles meeting the Commission's safety requirements and suitable for the transportation proposed in this application; (2) applicant owns, or has the means to acquire, a motor vehicle liability insurance policy that provides the minimum amount of coverage required by Commission regulations; and (3) applicant has access to, is familiar with and will comply with the Compact, the Commission's rules, regulations and orders, and Federal Motor Carrier Safety Regulations as they pertain to transportation of passengers for hire.

Based on the evidence in this record, the Commission finds applicant to be fit, willing, and able to perform the proposed transportation properly and to conform with applicable regulatory requirements and, therefore, that the transfer of Certificate No. 724 to applicant is consistent with the public interest.
